ABOUT KRAKOW AND THE CONGRESS CENTRE

Krakow is a unique place for visitors. Krakow is a town with a millennium-long history, and its historical buildings are preserved in their original form.

EuCAP 2019 will be held at the modern ICE Krakow Congress Centre. Because of ICE's capabilities, which include a 1960-seat auditorium with highly acclaimed acoustic performance, for the first time EuCAP will have a full philharmonic concert evening event. We have carried out many efforts to make the conference in Krakow extremely convenient for participants and very successful for the scientific and research goals.

The ICE Krakow Congress Centre, given awards as the best Congress Centre in New Europe in 2015 & 2017, is located on the river bank in the heart of the town overlooking the Royal Castle Wawel, Krakow's Old City and Kazimierz (the historical Jewish district).
